STONE CARVING WEEKLY WITH KATE SEMPLE

The studio runs 3 classes a week over 3 terms throughout the year. A simple project could be completed in a single term, or something more advanced over a longer period. Some of Kate's students have become so hooked on stone carving they come back year after year! You choose your subject and design your carving, whether it be traditional or contemporary, and Kate will guide you through the steps of creating your own work of art.
